

Welcome to PSPP

We are thrilled to have you as a member and are committed to safeguarding your financial future.

We are proud to offer PSPP's defined benefit pension, which will provide you with a predictable lifetime retirement income, survivor benefits, early retirement options and more while their professional management team takes care of investment decisions.

One of the oldest and largest defined benefit pension plans in Alberta, a PSPP pension is an excellent way to provide for your future.

A lifetime pension

You will receive a predictable monthly pension payment for the rest of your life, with a cost-of-living increase every year.

Take it with you

If you leave your employer, you may be able to transfer your funds directly to your new employer's pension plan.

Early retirement

You can retire as early as age 55.

Professionally managed

You don't have to make any investment decisions: we take care of that for you.

Tax deductible

Your contributions reduce your taxable income.

Your loved ones are protected

Your spouse or beneficiaries are protected at no extra cost to you.

With PSPP, you have a future you can count on.
